

## Youth Engagement Grant Guidelines

The West Marin Fund (WMF) is pleased to announce our second round of grants. A generous donor has provided us with a pool of money to provide small grants for involving local youth in the work of nonprofits serving the WMF's service area: Muir Beach, Stinson Beach, Bolinas, Olema, Nicasio, Point Reyes Station, Inverness, Marshall, Tomales and Dillon Beach.

**Youth Engagement Grants** are intended to support projects and programs that encourage youth to become involved with the work of our local nonprofits. Examples include:

- Internships in existing programs
- Creation of new projects that involve youth
- Youth volunteers for service provision and other nonprofit activities
- Projects that encourage youth philanthropy

Priority will be given to proposals that address one or more of the program's goals:

- To teach young people about non-profits and service organizations
- To develop in our young people a sense of ownership of, and engagement in, their communities
- To create in young people a sense of delight in discovering who or what needs help in their community and in responding to that need
- To create young leaders and future nonprofit board members

**Grants will generally be in the \$500 to \$5000 range.** You will be expected to use the funds within nine (9) months, with a brief report due at the end of the project period.

### **Timeline:**
